Taj 51 Buckingham Gate Suites & Residences has played host to the Queen, other members of the royal family, and numerous dignitaries over the years, making Kona the perfect place to celebrate this royal occasion and indulge in the quintessentially British tradition of afternoon tea.

Residing in the heart of the royal quarter, it is also not only a stone's throw from the royal residence of Buckingham Palace, but also just a short walk to St James' Palace where Princess Elizabeth was formally proclaimed Queen in February 1952.

The tea will be available to book from 8th February, celebrating 70 years to the day that Princess Elizabeth became Queen.
