Miss Merseyside search begins !

Lizzie Anderson represented Merseyside in Miss England 2025 and is now competing in the next semi final of Miss England after reaching the top 12 in the national final !

Now a new search is underway to find the contender to represent Merseyside on the Miss England stage — following in the footsteps of various successful contestants in Miss England from the region!

Miss Liverpool City Region “Paige Loren Cannon James” won the Bare Face Top Model award therefore , Paige has automatic entry to Miss England 2026 and retains her title Miss Liverpool City Region until the **semi final**. Paige decided to go completely make up free in the 2025 final of Miss England earning her 8th Place in Miss England 2025.

Now anyone living or studying in the Merseyside area can enter this qualifying heat for entry in to Miss England 2026 .

Miss World
ENGLAND

In 2025, Liverpool's very own Charlotte Grant proudly represented England at the prestigious **Miss World** competition in Telangana, India after an incredible year with Miss England. Charlotte, a former **Miss Liverpool City Region**, earned the title of Miss World England and 1st Runner-Up at the Miss England Final after becoming the competition's top fundraiser through her dedication to the Beauty With a Purpose charity initiative. During her remarkable journey, Charlotte also had the honour of welcoming reigning Miss World Opal Suchatta from Thailand during a special visit to Liverpool. Together, they visited Zoe's Place Baby Hospice, highlighting the importance of compassion, charity and community support at the heart of the Miss England and **Miss World** platforms.

Now, Charlotte is joining the search for the next Miss Merseyside — hoping to discover another ambitious young woman ready to make a difference and potentially follow in her footsteps onto the international stage.

Miss England is far more than a beauty competition. The contest champions confidence, charity fundraising, public speaking, talent and community involvement, offering contestants life-changing opportunities, friendships and experiences. Young women living in the Merseyside area are now invited to apply for the chance to compete for the title and potentially progress through to the Miss England Semi-Final and beyond.
