The Dover Marina Hotel & Spa, **Tapestry Collection by Hilton**, rolled out the red carpet this Bank Holiday weekend as it welcomed reigning Miss England, Grace Richardson, for a special guest stay at **its iconic seafront location overlooking the English Channel.**

Grace, a 21-year-old performing arts student and environmental advocate from Leicester, enjoyed a well-earned spa break at the seafront hotel, experiencing its renowned hospitality, wellness facilities, and culinary offerings.

During her stay, Grace enjoyed a range of wellness experiences, from relaxing spa treatments and time in the hotel's fitness facilities to a bespoke hair treatment at the on-site Vogue Hair & Beauty, before dining at Mr White's English Chophouse alongside her guest.

The highlight of the weekend saw Grace take to the spotlight, delivering a special live performance for guests during Saturday evening dinner.

Speaking about her stay, Grace shared:

"The break was just what I needed – I feel refreshed and ready to go."

She added:

"I loved the experience and the hospitality. I stayed in a beautiful room with a balcony overlooking the sea – it was truly stunning. I hope to come back one day."
